The latest release of the qualification and packaging rules can be found at the following link:
<https://training.gov.au/Training/Details/AUR30620>

Location of Course

Classroom:
Level 7 East,
50 Grenfell Street
Adelaide South Australia 5000

Automotive workshops:
Sunrise Motors & Repairs Unit
4/2 – 8 Gray Street Kilkenny
South Australia 5009

Various workplaces

Duration

52 weeks, including 44
study weeks and 8 weeks
of holidays.

Study Load

20 hours per week.

Delivery Mode

Classroom-based, as
well as practical training
in a workshop and a
work placement.

Statement of Attainment

The following units are included in this course and all are required for the award of the qualification. Students who only complete some units will be awarded with a Statement of Attainment for units successfully completed.

Core Units		Elective Units	
Unit Code	Unit Title	Unit Code	Unit Title
AURAEA002	Follow environmental and sustainability best practice in an automotive workplace	AURAF103	Communicate effectively in an automotive workplace
AURASA102	Follow safe working practices in an automotive workplace	AURETR128	Diagnose and repair instruments and warning systems
AURETR112	Test and repair basic electrical circuits	AURETR132	Diagnose and repair automotive electrical systems
AURETR123	Diagnose and repair spark ignition engine management systems	AURETR143	Diagnose and repair electronic body management systems
AURETR125	Test, charge and replace batteries and jump-start vehicles	AURLTJ102	Remove, inspect, repair and refit light vehicle tyres and tubes
AURETR129	Diagnose and repair charging systems	AURLTJ113	Remove, inspect and refit light vehicle wheel and tyre assemblies
AURETR130	Diagnose and repair starting systems	AURLTQ101	Diagnose and repair light vehicle final drive assemblies
AURETR131	Diagnose and repair ignition systems	AURLTQ102	Diagnose and repair light vehicle drive shafts
AURLTB103	Diagnose and repair light vehicle hydraulic braking systems	AURLTX101	Diagnose and repair light vehicle manual transmissions
AURLTD104	Diagnose and repair light vehicle steering systems	AURLTX102	Diagnose and repair light vehicle automatic transmissions
AURLTD105	Diagnose and repair light vehicle suspension systems	AURLTX103	Diagnose and repair light vehicle clutch systems
AURLTE102	Diagnose and repair light vehicle engines	AURTTA105	Select and use bearings, seals, gaskets, sealants and adhesives
AURLTZ101	Diagnose and repair light vehicle emission control systems	AURTTF102	Inspect and service diesel fuel injection systems
AURTTA104	Carry out servicing operations	AURTTJ011	Balance wheels and tyres
AURTTA118	Develop and carry out diagnostic test strategies	AURTTK001	Use and maintain measuring equipment in an automotive workplace
AURTTB101	Inspect and service braking systems	AURTTZ002	Diagnose and repair exhaust systems
AURTTC103	Diagnose and repair cooling systems		
AURTTE104	Inspect and service engines		
AURTTF101	Inspect and service petrol fuel systems		
AURTTK102	Use and maintain tools and equipment in an automotive workplace		

Training and Assessment Information

This course is delivered face-to-face in a classroom-based setting, as well as in an automotive workshop and through a work placement.

The timetable for this course will be advised in your Offer Letter and Student Agreement.

You are required attend for 20 hours per week for 44 study weeks and 8 weeks term break. Holiday breaks are as indicated in your timetable.

You will participate in both classroom and practical training in the automotive workshop.

In addition, you will also need to complete approximately 2 hours of additional, unsupervised study per week including general reading and research for assessments.

The work placement component is a total of 200 hours which will be completed in Term 4 and Term 5. The work placement will be completed in an approved automotive workshop and we will assist you to find a work placement or you can find your own. Your work placement will be discussed in detail with you once you start your course.

You will also need to complete assessments for this course which may include:

- Written questions
- Observations

At the beginning of each unit, your trainer and assessor will outline the assessment tasks that must be completed.

Your classes will be conducted in modern classrooms and you will be able to access Wi-Fi. There are also areas for you to relax, as well as conduct additional study.

You will be provided with learning materials relevant to each unit in your course. Textbooks are also available onsite for you to use and borrow if you wish.

Course Credit

You can apply for recognition of existing qualifications or skills, knowledge and experience (credit transfer or recognition of prior learning) as per the information included in our International Student Handbook, which is available at www.willowsinstitute.edu.au

If you are granted course credit, this will affect your course fees as well as the duration of your course. We will advise you in writing of changes to fees or course duration as a result of the credit. You will also be issued with a new Confirmation of Enrolment.

For any questions about course credit, contact us at the details shown below.

What are the Entry Requirements?

Willows Institute has the following entry requirements:

You must:

- Be at least 18 years of age and have completed the equivalent of Year 12.
- Participate in a course entry interview to determine suitability for the course and student needs.
- Have an IELTS* score of 5.5 (test results must be no more than 2 years old). English language competence can also be demonstrated through documented evidence of any of the following:

- educated for 5 years in an English speaking country; or
- completed at least 6 months of a Certificate IV level course in an Australian RTO; or
- successful completion of an English Placement Test.

Note that other English language tests such as PTE and TOEFL can be accepted. You are required to provide your results so that we can confirm they are equivalent to IELTS 5.5.

Course Progress and Attendance

Satisfactory course progress and attendance is very important in order to meet visa requirements. Please read the International Student Handbook carefully for more information. You will also be provided with further information about course progress and attendance requirements at your orientation.
