

Course Code : **AUR50216**

# Diploma of Automotive Technology

## Overview of Course

This qualification reflects the role of individuals who diagnose, analyse, evaluate, design and modify vehicle systems in the automotive retail, service and repair industry.

The latest release of the qualification and packaging rules can be found at the following link:  
<https://training.gov.au/training/details/AUR50216>

## Location of Course

Classroom:  
 Level 7 East,  
 50 Grenfell Street  
 Adelaide South Australia 5000

Automotive workshops:  
 Sunrise Motors & Repairs Unit  
 4/2 – 8 Gray Street Kilkenny  
 South Australia 5009

Various workplaces

## Duration

26 weeks, including 24 study weeks and 2 weeks of holidays.

## Study Load

20 hours per week.

## Delivery Mode

Classroom-based, as well as practical training in a workshop.

## Statement of Attainment

The following units are included in this course and all are required for the award of the qualification. Students who only complete some units will be awarded with a Statement of Attainment for units successfully completed.

### Core Units

Unit Code	Unit Title
AURFA007	Develop and document specifications and procedures

### Elective Units

Unit Code	Unit Title
AURFA006	Conduct research and present technical reports
AURETA002	Analyse and evaluate electrical and electronic faults in body management systems
AURETE001	Analyse and evaluate electrical and electronic faults in engine management systems
AURETR034	Develop and apply electrical system modifications
AURLTB002	Analyse and evaluate faults in light vehicle braking systems
AURLTD007	Analyse and evaluate faults in light vehicle steering and suspension systems
AURLTQ003	Analyse and evaluate faults in light vehicle transmission and driveline systems
AURTNA001	Estimate and quote automotive vehicle or machinery modifications
AURTTA022	Develop and apply mechanical system modifications
AURATA005	Estimate and quote automotive mechanical and electrical repairs
AURAMA005	Manage complex customer issues in an automotive workplace

## Training and Assessment Information

This course is delivered face-to-face in a classroom-based setting, as well as in an automotive workshop.

The timetable for this course will be advised in your Offer Letter and Student Agreement.

You are required to attend classes for 20 hours per week for 24 study weeks and 2 weeks term break. Holiday breaks are as indicated in your timetable.

You will participate in both classroom and practical training in the automotive workshop.

In addition, you will also need to complete approximately 2 hours of additional, unsupervised study per week including general reading and research for assessments.

You will also need to complete assessments for this course which may include:

- Written questions
- Observations

At the beginning of each unit, your trainer and assessor will outline the assessment tasks that must be completed.

Your classes will be conducted in modern classrooms and you will be able to access Wi-Fi. There are also areas for you to relax, as well as conduct additional study.

You will be provided with learning materials relevant to each unit in your course. Textbooks are also available onsite for you to use and borrow if you wish.

## Course Credit

You can apply for recognition of existing qualifications or skills, knowledge and experience (credit transfer or recognition of prior learning) as per the information included in our International Student Handbook, which is available at [www.willowsinstitute.edu.au](http://www.willowsinstitute.edu.au)

If you are granted course credit, this will affect your course fees as well as the duration of your course. We will advise you in writing of changes to fees or course duration as a result of the credit. You will also be issued with a new Confirmation of Enrolment.

For any questions about course credit, contact us at the details shown below.

## What are the Entry Requirements?

The Training Package requires that those undertaking the Diploma of Automotive Technology must have completed an automotive Certificate IV qualification in one of the following disciplines or be able to demonstrate equivalent competency.

- AUR40216 Certificate IV in Automotive Mechanical Diagnosis
- AUR40816 Certificate IV in Automotive Mechanical Overhauling.

Willows Institute has the following entry requirements:

You must:

- Be at least 18 years of age.
- Participate in a course entry interview to determine suitability for the course and student needs.
- Have an IELTS\* score of 5.5 (test results must be no more than 2 years old). English language competence can also be demonstrated through documented evidence of any of the following:
  - educated for 5 years in an English speaking country; or
  - completed at least 6 months of a Certificate IV level course in an Australian RTO; or
  - successful completion of an English Placement Test.

*Note that other English language tests such as PTE and TOEFL can be accepted. You are required to provide your results so that we can confirm they are equivalent to IELTS 5.5.*

## Course Progress and Attendance

Satisfactory course progress and attendance is very important in order to meet visa requirements. Please read the International Student Handbook carefully for more information. You will also be provided with further information about course progress and attendance requirements at your orientation.
